

Your last day is among eucalypts until you hit the outskirts of Ballarat. The ride ups and climbs as it weaves through forest lanes, made seasonally colourful by wildflowers. Finally you follow the Yarrowee River trail all the way to town where a well-deserved rest awaits you.

TERRAIN	Varies from easy to steep in places
DIFFICULTY	Moderate/difficult
DISTANCE	24 kms
TIME	Day ride – plan about 3-4 hours.

DAY 4 Creswick – Ballarat

Day 2 starts along dirt tracks through scrubby bushland, darting the occasional landscape offering spectacular views to Mt Beckworth. Aged eucalypts line the quiet lanes before the day finishes in the old gold glory of Clunes.

TERRAIN	Terrain varies from easy to moderate
DIFFICULTY	Moderate
DISTANCE	25 kms
TIME	Day ride – plan about 2-3 hours.

DAY 2 Talbot – Clunes

Day 3 is filled with reminders of the grand homesteads and vineyards line the quiet lanes as you meander the undulating terrain. The day ends in a rush of adrenalin as you descend into the heritage forestry town of Creswick.

TERRAIN	Terrain varies from easy to moderate
DIFFICULTY	Moderate
DISTANCE	24 kms
TIME	Day ride – plan about 2-3 hours.

DAY 3 Clunes – Creswick

Day 1 begins in Box-ironbark country. Bird watchers rejoice, for when these trees bloom in spring, parrots and honeyeaters descend in droves. As you break out to open grazing land look for an old bluestone ford scarred with deep ruts from the passing of countless wagon wheels – perhaps even from the Cobb & Co.

TERRAIN	Terrain varies from easy to moderate
DIFFICULTY	Moderate
DISTANCE	18 kms
TIME	Day ride – plan about 2-3 hours.

DAY 1 Maryborough – Talbot

The Ride

Immerse yourself in the heritage and beauty of Victoria's central goldfields.

DISTANCE: 91 kms

DAYS: 1-4, depending on rider ability.

Suitability

The Maryborough – Ballarat Cycle Tour is suitable for active families, pleasure seekers and mountain adventure cyclists. It is not suitable for sprint cyclists.

The terrain varies each day, but is generally suitable for town cycles to mountain bikes.

Getting There

Train

Take advantage of V/Line train services between Melbourne, Ballarat, Creswick, Clunes, Talbot and Maryborough. Bicycles can be carried for free on V/Line trains (if space permits). Bikes are not permitted on timetabled V/Line coach services with the exception of folding bikes.

Visit the vline.com.au or ptv.vic.gov.au for timetables and maps or download their app.

Car

From Melbourne to Ballarat:

1.5 – 2 hours via the Western Freeway.

From Melbourne to Maryborough:

2 – 2.5 hours via Castlemaine or Ballarat.

Parking

Cars can be left at railway stations at your own discretion. Please obey parking restrictions should they apply.

Be Prepared

Towns only occur at the beginning and end of each day. So be prepared to carry all your needs: water, food, repair kit and first aid.

Pack the right clothing and equipment for the season and expect the unexpected in weather. Take a map and compass and – importantly – know how to use them.

A mobile phone is useful near the towns. If you find yourself in trouble without mobile connection, either wait for a passing vehicle or walk to a more populated road.

Safety: Your Responsibility

Before you travel, check the Bureau of Meteorology website for the latest weather forecasts and the emergency.vic.gov.au for fire and flood warnings. Regular fire warning updates can be accessed through the CFA website at warnings.cfa.vic.gov.au.

Do not ride on Code Red Fire Warning days.
